

Office Memorandum • UNITED STATES GOVERNMENT

TO : Director of Training

DATE: 28 May 1957

FROM : Chief/JOTP/TR

SUBJECT: Comments on the Junior Officer Training Program by []
in her Memorandum for the Record dated 16 May 1957

1. My reaction to this paper is that
 - a. She has written this paper in good faith;
 - b. To make her case, she has exaggerated some items to the point of inaccuracy;
 - c. She goes into a number of questions which she is not qualified to discuss;
 - d. The fundamental objectives of the Program which she suggests are those under which we have operated for some time;
 - e. She is suggesting paternalistic procedures which the JOT's as a group would resent since practically all of them are older than she.

STAT 2. [] is academically a very able young woman. Her major in French, her travels in France, her interest in going overseas suggested her placement for on-the-job training on the [] desk with which she concurred. This placement failed to produce good results and she was moved with her concurrence to the [] desk where she is now located. [] has been her "counselor" since he entered the Program. I also have a good deal of information about her. Unquestionably, we have failed to develop any enthusiasm for a career in the Agency in her case.

STAT 3. It is interesting to note that on 17 May 1957, the day after she wrote her memorandum, [] who "question(s) the value of continually bringing new Trainees into the Agency" came to the office and presented me with the vita of a man she recommended as a candidate for the Program!
